

Communication failure

- 1 SQUAWK 7600
- 2 Contact TWR on TEL +46 (0)60 646202 for clearance.
- 3 If telephone contact cannot be established, enter CTR via MYRFLO to holding EAST.
- 4 Hold in EAST 5 min and flash with landing lights and wait for optical signals from R-TWR.
- 5 If optical signals cannot be perceived, start APCH via overhead to RWY of choice.
- 6 Confirm runway free.
- 7 Land and taxi to apron.
