Disclaimer: The information provided shall not be used for operational flight planning, as it only provides information concerning planned activities. The information is issued primarily the day before the planned activity and even if updated relatively continuously, changes not shown might occur. Prior to flight and in accordance with AIP ENR 5.1, always make sure to check appropriate NOTAM or with FPC (+46 87976340) for updated information. Note that within restricted areas, flight might be carried out only by permission by the relevant authority or ATS unit.
